

Naturesoft 880GT

Natural ultrafine rice bran wax powder infused with green tea for maximum powder binding

ATTRIBUTES & BENEFITS

- Best-in-class dry binding properties for maximum formulation versatility
- Pale green composite based on rice bran wax and Green Tea Leaf Extract
- Green tea is known for its anti-inflammation and anti-oxidation benefits
- Worldwide approval

SUGGESTED APPLICATIONS

Color cosmetics and emulsion systems. Especially good for creams and lotions where less greasy aesthetics are desired in high oil content formulations.
