

Azelis Canada is a leading food ingredients distributor, supplying innovative food solutions to help create the taste, texture, performance and appearance needed for our customers' food and nutritional formulations.

We represent leading global manufacturers and work closely with our supplier partners to bring the highest quality ingredients to the market. We have three operating warehouses spanning across Toronto, Quebec and British Columbia, to supply quality ingredients to our customers.

We serve the **Bakery, Beverage, Brewery, Confectionery, Dairy, Frozen Desserts, Savoury and Vegan sectors.**
